

R408/780 Bourke Street Redfern NSW

2  1  1 

This 2 bedroom unit must be the best value this year at Moore Park Gardens. Two level townhouse style with windows on 3 sides having lovely leafy outlooks, swish modern gourmet kitchen with Smeg gas cooktop, and two good sized bedrooms with built-ins. The highlight of the unit would have to be the two walk-in internal storage areas within the unit. Also features air conditioning in the living area.
