This unit is so big it thinks it's a house! Located in the glamorous "Astoria Tower" this sprawling apartment presents a total of 163sqm space with the living areas and both bedrooms opening onto a full width balcony. They just don't build them like this any more so if you want S-P-A-C-E then this is a must to see.

Price : \$ 1,235,000

Opposite Darling Harbour, imagine the lifestyle of stepping out to the gardens, shopping and restaurants at the doorstep - and not a thought to be given about worrying about parking, it's all right there. Living in this location does not get much better than this, with amazing facilities in the building even including a squash court!
